## Discussion Notes

| Topic                  | Discussion Summary                                                                     | Action Items                                                                                                                                                                                                                                    |
|------------------------|----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Project state          | Project is 5-6 weeks behind schedule and additional work is needed to get on schedule. | Project crunch over easter holiday with @newwby @MasaMesgho in labs - @29576302 to contribute remotely. Awaiting update from @ShawnCrisMartin about task progress. No communication from @FAVOURIGBOKO and @munaxshe about onboarding meetings. |
| Previous agenda review | Reviewed unattended meetings for items to complete.                                    | Project proposal deliverables to be reviewed and completed before final report. Report and poster brief to be reviewed before end of easter holiday.                                                                                            |

## Action Items

- Team members to complete tasks and coordinate over easter break, using Fridays as primary working day. Meetings to continue over Easter.

## Next Meeting Action Items

- Complete and integrate Sprint3A, assign sprint 3B tasks.

## Future Action Items

- Review report and poster brief
- Review previous proposal promised deliverables
